

INVESTING IN PASTORS HALFWAY AROUND THE WORLD

Last year's Far West Pastors Conference — pastors, leaders and their wives from across Province No. 7, gathered in Mahendranagar.

NEPAL | FAR WEST PASTORS CONFERENCE

They rode ten hours to be trained.

Imagine 30 million people — 90 percent of them Hindu-Buddhist — in a country that was closed to the Gospel until 1951. And after 75 years...

the number of Christians in Nepal has grown to 500,000 — up 25 percent in just the last five years. In fact, our partners with Global Mission Nepal are seeing the Gospel spread like wildfire across the entire country.

Churches are multiplying house-to-house, village-to-village through pastors who don't have a local Baptist association, or state convention. That is where GMN and GCP come together. We are hosting training conferences and retreats to help pastors, leaders and their wives grow in healthy, Biblical doctrine and practice.

"We don't parachute in. We walk alongside our partners for the long haul — helping GMN strengthen churches by strengthening the man and his wife."

And we are doing the whole thing for around \$3,000 USD — in a hotel setting where these pastors and their wives can come and be equipped, encouraged and refreshed. It is so critical to them that last year we had one couple ride 10 hours, one way, on a motorbike just to be there. I hear they are coming back this year!
